
Grays Lane Planning App

Posted by William Brown - 2010/05/03 13:38

Hi, for people who are not aware a planning application has gone in for 14 houses off Grays Lane with access where the bus stop is currently situated. Residents in the area are not pleased about this and organised a meeting last week, Wednesday 28th April to discuss what can be done about it and are having a second meeting on Wednesday 5th of May, 19.30 at 11 Grays Lane. Anybody who wishes to come along is more than welcome. For those who have not seen the application I have attached an overview. Full planning application can be viewed here <http://snc.planning-register.co.uk/planappdisp.asp?recnum=61979>
